Ramada Bali Sunset Road Kuta Extends Helping Hand to Sunya Giri Orphanage

Bali, Indonesia, 10th March 2016 – The newly rebranded Ramada Bali Sunset Road Kuta held its first Corporate Social Responsibility (CSR) initiative **“Traveling Together for a Better World”** at Sunya Giri Orphanage on 13 February 2016 .

During this event, nine staff members spent time with the children who shared about their life and their future aspirations. The hotel also distributed food and donated clothes to the children. The CSR event reflects the hotel’s journey to make a difference and improve the lives of the less privileged. This is in line with Wyndham’s signature Count On Me! service culture and values where all team members are encouraged to be agents of positive change, dedicated to provide amazing experiences to customers, extending beyond the hotel and into the local community.

Deden Rifana, Human Resources Manager of Ramada Bali Sunset Road Kuta said “We hope that through this CSR initiative, we are able to inspire our staff members to contribute back to society and create positive impact on our community.”

The inspiration behind the CSR initiative “Traveling Together for a Better World” is derived from the idea that as a global leader, our journey should reflect our culture of strong values, signature Count On Me! Service and the **“Spirit of Giving.”** As a group we believe that we can improve the world by leveraging on our expertise in hospitality and mobilizing and power of distribution by engaging the businesses and the community throughout the travel and tourism industry.
